Rules

Work must be confined to 20x20 area.

Area must be clearly marked with colored stake designating division.
Stake received at check-in

Extra water to wet sand is okay.

Tools or forms of any sort may be used in the process of construction, but may not support the structure.

Decorations such as flags, etc may be used, but may not support structure.

You must clean your area
Only biodegradable and earth friendly material allowed to be left on the beach

For children's categories, one adult may assist with initial digging but not with building.

All dogs on beach need to be on a 8' or less leash - PLEASE CLEAN UP AFTER YOUR PET!

After judging, stake must be turned in and your area cleaned up to receive earned awards.

HAVE FUN!
